Brian Laboeuf
c/o Howell High School Highlander Restaurant
1200 W. Grand River Ave.
Howell, MI 48843

Dear Mr. Laboeuf:

Congratulations on the success of the Highlander Restaurant. I am glad to see that you were able to expose the students of Howell High School to the intricacies of the restaurant business. I have heard nothing but good reviews by others thus far. Your restaurant is a nice addition to the high school as well as the Howell community.

I feel it is important to recognize the people in my district for their commitment to making Livingston County a great community and helping to improve others' lives. I wish you much success with the culinary arts program in the future and look forward to hearing about your program's accolades for many years to come.

Sincerely,

A handwritten signature in cursive script that reads "Cindy Denby".
